

Volunteer Information Sheet

Our art room depends on help to keep it organized and running smoothly.

Thank you SO MUCH for volunteering to help us.

Before you get started, here's some information to help you get acquainted with our space.

- 1) You are welcome! You're a huge part of the art room and we want you to feel welcome. Feel free to take a break from a task, walk around and ask us about our artwork, or do your job at a table filled with students.
- 2) Remember, we are growing as artists and our art is exactly how it should be. Please DO NOT add to or alter children's art but feel free to demonstrate, say supportive things, or help us find a resource! If we need an extra hand drilling a hole or gluing, make sure it doesn't take our ownership over our artwork away.
- 3) We should be at work! If you see a student who is not working, feel free to ask them what they are working on and coax them to get started. Our class time is short and it is easy to get distracted from the task.

FYI, our class expectations are below. Please review them before working with students in the art room.
