

4 Easy Steps to Apply

The application to AOEU's Master of Arts in Art Education shows your passion, personality, and professional competency. Use this checklist to complete the four easy steps to apply. Review each part of your application before you press "Submit."

Have Your Official Transcripts Sent

Your official transcripts must come directly from the issuing institution and document a BA degree or higher. They can be sent digitally or by mail. Read more [here](#).

Record a Video of Intent

Your 1-3 minute video helps application reviewers see you as a real person! Introduce yourself, share some basic information, and outline your goals for earning a master's degree.

PRO TIP

- Use a spelling and grammar support to ensure quality.
- Have a friend or colleague proofread your writing.
- Consider the formatting of your document when you create it.

Compose a Writing Sample

Compose a 1-2 page response that demonstrates graduate-level writing. Discuss why art education is so important and why you want to earn a master's degree.

PRO TIP

- Research! Find credible resources to support your point of view.
- Use in-text APA citations and don't forget your works cited listing.
- Have a friend or colleague proofread your work.

Curate Your Micro Portfolio

Share four images of your artwork, classroom, displays, or student artwork. Write descriptions that explain each image to application reviewers.

PRO TIP

- Include clear, well-lit photos. Crop and edit as needed.
- Proofread and spell-check descriptions.
- If you have more to share, include a supplemental link!

Review Your Application

All check marks in your application must be green before submitting your application. Be sure you double-check each component of your application before submitting the non-refundable application fee and pressing "Submit."
